1. Log in to QRZ, and on the far right part of the menu bar, Select your call, then click on "Edit"

2. Click Add or edit your **biography** text, fonts, etc.

3. Click the "Source" button (upper left)

4. Copy the html code from the desired banner (at http://www.hamqsl.com/solar.html) and paste where you would like it in the QRZ page. Make sure its in English (not translated)
   - You can add paragraphs <p>, breaks <br> for spacing, and justify <left> or <right>
   - You can customize most banners (see http://www.hamqsl.com/FAQ.html#Solar)

5. At bottom of page, click "Save" to save it or "Cancel" to exit without saving.

6. Click Done. Return to the **N0NBH** listing..

7. *Verify banner is displayed where you want it.*

8. Contact me at n0nbh@cox.net with any problems. 73 de Paul N0NBH
